

Flowshua PROJECTS LLC

PMP-certified Leadership

Defense Program Support | PMO Coordination | Project Controls

CAPABILITY STATEMENT

Plan • Align • Execute • Deliver •

Flowshua Projects helps defense organizations improve program execution through program support, PMO coordination, project controls, technical documentation, schedule management, readiness analysis, risk tracking, and operational coordination.

Grounded in U.S. Navy operational experience and PMP-certified leadership, Flowshua integrates with government and prime contractor teams to improve execution through disciplined coordination, technical documentation, structured reporting, and actionable decision support.
